Generations Dental Brush To Win Teacher's Check List.

Dear Teacher,

Thank you for participating in our first Brush to Win program. To get started:

- Download the Brush to Win calendar** for the month(s) you wish to participate. Before giving it to your students:
 - Add your name and the grade of your class.** (if this is a split class, ensure that each child has their grade on their form, not split.)
 - Provide a letter to the parents explaining what the program is** (a sample letter is available on the Brush to Win page).
- We would be happy to have one of our dentists or hygienists do a brief presentation.
- Visit the Brush to Win page at generationsdental.ca to download more calendars and additional oral education information.

When you are ready to email in the calendars, ensure the following:

- Is your child's name and grade legible?
- Has the parent signed the consent section?
